CLASS OF 1958

WARWICK HIGH SCHOOL

FOREWORD

The members of the Senior Class, in issuing the *Warrian,* have tried to make this book an authentic and interesting account describing the highlights of the activities of all Warwick students, especially those of the graduating class.

When you look through our book, we hope that you, along with all of us, will greatly enjoy and appreciate our many high school experiences.

DEDICATION

We, the Class of 1958, wish to dedicate this yearbook to our Parents, who have given much of their time, money, and effort so that we could have the privilege of acquiring an education. Regardless of what the future holds, we will always be grateful and appreciative of all that has been done for us.

To the Members of the Graduating
Class of Warwick High School:

We are indeed going through a critical period in the history of our Country. It is time to reappraise our educational standards and curriculum in the light of modern developments. We are bound to place a great deal of emphasis on the sciences. But we must not lose sight of the fact that we need prolonged and well-ordered exposure to the great learning of the past, to the best thoughts and ideas and ideals in the great sweep of the humanities. We need to develop orderly minds forged by the scientific procedures of the social and physical and biological sciences, by the visions of great philosophies, and by the inspiration of great art and music. All of this is the very essence of education. Therefore, we should not over emphasize one segment of education to the exclusion of the others.

You will be a factor in this reappraisal. It is our hope that as you leave Warwick High and go out in the world, either to further your education in a college or university or as a worker in industry you will always strive to uphold and fight for better schools to make better citizens for tomorrow.

My most sincere and best wishes are extended to each of you for happy and successful years to come.

Sincerely yours,
G. Marlin Spaid

To the Class of 1958:

You have now completed your high school course. Your parents and the school congratulate you as you receive your diploma. We trust that your education will enrich your life.

As a high school student, you have had access to all the great truths of our time: the great Christian principles laid down by the Master Teacher; the laws that control the growth and development of the human body; the philosophy of the various forces of government with the tremendous values inherent in our democratic society. You have been enjoying the benefits of scientific research. You have received a taste of the "Arts" and the manner in which they enrich and beautify life.

May these great truths help you to play the game of life fairly and honestly. Do not be misled by the false doctrine that you can get something for nothing. In St. John 8:32, Jesus spoke the following words: "And ye shall know the truth, and the truth shall make you free". So may it be with you.

Sincerely,

N. J. Fuhrman

To the Graduates of 1958:

Commencement day marks the attainment of a worthy goal for which each of you has eagerly striven. These brief years of earnest endeavor and happy fellowship surely will afford you many pleasant life memories.

Our associations with you have been very pleasant. Your chosen fields of endeavor will challenge your best efforts to do well the work which you have decided to undertake. Your triumphs in the course of proper endeavor shall make us glad also. We have faith in you that you will succeed in your chosen fields of endeavor.

As students here you now receive our words of farewell. A high school education should develop a creative intelligence and indomitable courage. On leaving Warwick High School, we challenge you to do your bit, and with it we wish you God's help and support in all you endeavor.

Sincerely,

Melvin H. Brubaker

CLASS POEM

19 58

These days at Warwick have been our best,
They will support and strengthen the rest.
They formed our education on one solid base,
And helped us to secure our future place.

Many memories with friends we shared,
While our lessons were being prepared.
The future will be different in many ways,
Like many tomorrows and one yesterday.

To the Underclassmen may we pass along,
"Take heed to all guidance, you'll never go wrong."
As our days at Warwick pass slowly away,
The memories will linger, day after day.

Ruth Ann Arehart

CLASS SONG

The time has come for parting from dear old Warwick High,

We travel forth with high-filled hopes, our best we all will try.

These noisy halls and classrooms, things learned from teachers, too,

Will always linger in our minds, success we'll owe to you.

The friends and fun we've known we leave with memories,

The books and music, sports and art, in this we did believe.

Triumphantly we go forth to conquer all our foes,

Farewell, dear Warwick, fond farewell, grand glory from you glows.

CLASS HISTORY FOR LITITZ

As we were preparing the historiography of the Class of 1958, we visualized the conception the teachers must have had that first day when we entered the halls of good old L. H. S. How proud they must feel today when they gaze upon us and realize their efforts were not in vain!

During our first three years, we made attempts to learn reading, writing, and arithmetic. Although we were there to learn the three R's, we still found time to present our spring and Christmas programs.

In the fourth grade we found ourselves with Miss Hensel, now deceased, and Miss Weidman. This was our first experience of mouth washing with soap.

"Take me out to the ball game," was our most quoted saying during the latter part of the sixth grade. This soon led to our first class trip — to Shibe Park in Phila.

In junior high Miss Enck's English classes, Mr. Roehm's math classes, and Mr. Swisher's teasing were new experiences.

Our first attempt at a social affair came in our freshman year when we presented the freshman frolic, "Mr. Sandman." This, along with our "Clean-Up Campaign", proved to be quite successful.

Worms, frogs, and crayfish were found in lockers during our sophomore year. These were all left behind as we began to plan our sophomore dance, "Artic Fantic."

CLASS HISTORY AT ROTHSVILLE

Shall we, the Class of '58, ever forget that bright September day in 1946 when we began our school career?

Now, looking back over our twelve completed school years, we find many important events which we will always remember.

During our grade school days we eagerly awaited spring and the track meet and May Day which would take place at that time.

In junior high we took our first class trip, which was to the Ephrata Cloisters. There, as we viewed the crude and hard way in which people once lived, we realized how fortunate we are to be living in the twentieth century.

Another outstanding occasion was our class trip to Philadelphia. Despite the heavy rainfall that day, we viewed many historic sites, including the Betsy Ross House and Independence Hall.

The highlight of our junior high school days came when two of our outstanding classmates, Kay Hoffer and Paul Wenger, received the Legion Awards.

We entered high school feeling very much grown up, with great dreams and ambitions. Which one of us could ever forget how odd we looked during the initiation by the seniors?

An important event of our freshman year was our hayride, which ended with a dance at the Lions Hall.

We started our sophomore year with Mr. Klopp as our advisor. For our annual class trip we toured the Gettysburg Battlefield. There our study of the Civil War took on a new meaning.

Our sophomore year and school career at Rothsville were climaxed with our sophomore dance, "Bandstand," which was a great success.

JUNIOR AND SENIOR YEARS

We entered the portals of Warwick High School in the year of 1957. Faced with classmates and new teachers, we found ourselves lost in a maze of halls.

The commercial girls were confronted with the peculiar symbols of shorthand, while from Mr. Hackman's room came the horrible odors of experiments.

We, as amateur actors and actresses, embarked upon our first stage production, "The Night of January 16th." In order to boost our treasury to a substantial amount, we sold Christmas and Easter candy.

To end an exciting year, we took a trip into the Southland by means of a "Showboat." Later we found ourselves at the junior-senior prom in an Oriental Garden.

After having spent an enjoyable summer vacation, we entered our last and final year of high school. In all the confusion of the senior year we presented "Boarding House Reach," which was a huge success.

Basketball season arrived in its full glory, with school spirit as high as ever. We completed our season by winning the section championship. This added another trophy to our trophy case.

As April rolled around we found ourselves completing plans for graduation.

The junior class had a terrific dinner-dance at the Stevens House. After the prom we were entertained at the Post Prom Frolic in the school cafeteria.

Graduation time arrived at last. Tearfully and solemnly we walked down the aisle to receive our diplomas.

What will the future hold for us?

The 1957 Warwick High School football team, with only 11 returning lettermen, ended the season with a not too impressive record of 3 wins, 5 losses, and 1 tie. This was, however, an improvement over the 1956 season record of 2 wins, 8 losses and 1 tie. One of the most impressive games the Warriors played was a 6-6 tie with Columbia High School. This year the team will lose 13 seniors.

"Rush that ball!" was the command given by Coach Johanne Smith, during the hockey season, along with Coach Joan Riehl who took care of our defense. Compiling a record of 2 wins, 2 losses and 1 tie, the team ended in second place. The senior girls on the varsity squad consisted of our Co-Captains Brooke Minnich, C.F.; and Lynn Good, L.F.; C. Bennethum, R.I.; F. Bowman, L.W.; J. Welch, C.H.; M. Hanna, L.H.; C. Morgan, R.H.; N. Eichholtz, R.F.; B. Forrey, goalie; and P. Geib, L. I.

Lynn Good, Margaret Hanna, and Barbara Forrey made Lancaster County All-Star Hockey Team, with Brooke Minnich taking honorable mention.

The future hockey teams of W.H.S. have our best wishes.

The Warwick five made an impressive league record of twelve wins and two losses in spite of the predictions for the Warriors season. Their over-all record included fifteen wins and seven losses. The Warriors met Columbia for a chance to win the Lancaster County Basketball Championship two years in a row. The Warriors dropped this game and another game to York in the P.I.A.A. play-offs, which ended their season.

Captain Dick Allebach, who was the only player to return from last year's championship team, led the team in spirit and also in total points scored.

1958 TENNIS SQUAD

First Row: John Landis, Fred Reubman, Barry Rhoads, Glenn Badorf, Jack Reubman, Donald Dodson.
Second Row: Phillip Mummert, James Diehm, John Cassel.
Third Row: Kenneth Stark, Phillip Hess, Larry Keenan, Kenny Kline, John Petticoffer, Donald Campbell, James Reese, Donald Ruhl, Warren Mellinger, Ronald Kline, Mike Koth.

The Warwick High Netmen of 1957 under the coaching of Mr. Scott Garman compiled a fair record in the Inter-County Scholastic and Central Penn League by scoring 7 wins and 7 defeats.

For the 1958 season there were not any games scheduled in the Central Penn League.

The veterans returning from last years squad are Bill Grosh, Glenn Badorf, Barry Rhoads, and Fred Reubman. They will receive support from John Landis, Donald Dodson, and Jack Reubman.

GIRLS' TENNIS

Front Row; left to right: Florence Bowman, Beverlay Roth, Carol Bennethum, Carol Morgan, Linda Herr, Carol Massey.
Second Row: Shirley Waltz (Mgr.), Sally Gundrum (Mgr.), Irma Martin, Brooke Minnich, Sandra Mundorf, Gloria Engle, Phyllis Hall, Martha Gundrum, Sally Adair (Mgr.)

This year's girls' tennis team, under the direction of Miss Johanne Smith, had a schedule of six games. The regular match consisted of five singles and two doubles. Although the girls were not placed in a special league, their playing opponents were Elizabethtown, Donegal, and Manheim Central.

Each practice they had challenge matches to determine their height on the tennis ladder. According to this ladder method, the top six girls were Florence Bowman, Brooke Minnich, Carol Morgan, Gloria Engle, Irma Martin, and Carol Bennethum.

We all hope the girls this year and the girls in the future years will finish with a successful season.

Our heartiest congratulations to the Class of '58 upon your graduation from Warwick High School.

We are grateful for the opportunity of producing your yearbook "The Warrian" and hope that we may have many other opportunities to serve you in the years ahead.

We welcome your inquiries for printed matter whether it be a business card or a 4 color poster and invite you to visit our plant to see the complete facilities available.

Sid,
You're a real swell guy. Best of luck in Warwick. Always keep that nice personality. Take care of all the girls. Be careful when you pass notes next year. Don't get caught! Remember the fun we had in Latin class. Be good and stay out of trouble (just kidding!
Yours always,
Carole

Sid,
To one of the
neat boys in our
freshman class. Don't
be too rough on the
girls. Begood? Always.

Sid
Lots of luck in the future years
at W.H.S. in sports and in school.
Don't be too rough on football
and your girl. Please don't grow any
more or they will have to move
the baskets up in basketball
and you wouldn't
want them to do
that." Good
luck" "Love all the times
to a good kid in my class. Remember

To a real neat guy
in the class of 61. Take care
of all the girls. Don't do any-
thing I wouldn't do at those
skating parties especially. Lots
of luck in the future years
